BEST FIRE

Nature-Inspired Elegance

BEST FIRE premium vent-free gas logs combine warmth, luxury and efficiency with distinctive design elements. Intricately detailed logs are hand-painted with authentic wood and bark patterns reflecting the rugged distinction and variety of natural logs. Best Fire's clean-burning, efficient burner design, combined with no outside venting requirement, prevents heat loss and cold air drafts to keep your living area warm for only pennies an hour. Best Fire vent-free gas logs are the gold standard for combining efficiency, warmth and comfort with distinction.

All BEST FIRE log sets include grate, burner, sand, embers, lava rock and fittings. Pine cone valve cover (shown above) is not included – available as a separate accessory. Limited Lifetime Warranty on logs. Manufactured in U.S.A.
