

Grill Island Cut-out Specs

Grill Islands

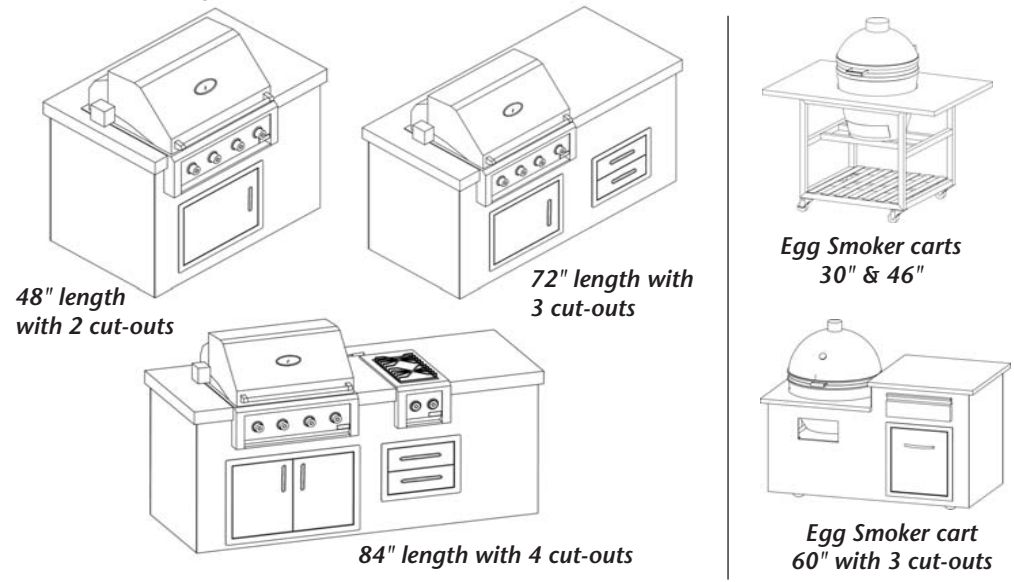

All PCE Grill Islands are customizable. Choose the size appropriate for your space and then decide what components you want in your outdoor kitchen island. All grill islands are constructed of a heavy-duty aluminum frame with durable hardiboard siding. Grill islands are available unfinished or finished. Unfinished islands are ready for you to apply stone or a finish of your choice. Finished grill islands come with a Dryvit or stucco base and tile counter top, both available in a variety of colors.

Description	Cut-out Dimensions W x D x H	Diagram Reference
Burners		
3-Burner Grill (28")	25"(W) x 21-3/4"(D) x 10-7/8"(H)	A

A complete line of premium quality stainless steel grills and grill islands for carefree outdoor living.

Patio Cuisine Elements gas grills are constructed with the highest quality materials. Coupled with a sleek design and simplicity, PCE grills are the platinum standard of grills and offer a complete solution for outdoor cooking.

PCE gas grills come in three burner sizes and all come standard with the following components:

- Continuous welded 304 stainless steel firebox. 304 stainless steel is the highest quality of stainless steel.
- Continuous welded 304 stainless steel double walled hood and support.
- 11-gauge, 304 stainless steel burners.
- Heavy-duty 3/8" 304 stainless steel cooking grate.
- Commercial adjustable valves.
- Temperature gauge installed in the hood for controlled grilling.
- Side wind guards.
- Flame directors for creating varied temperature cooking zones.
- Roll-along drip tray is easily removed for clean up.
- Warming rack along the full length of the grill.
- Smoker box for adding savory flavor chips.
- Safety valves in infra red (IR) models.
- Rotisserie Unit is standard on the 5-burner grill and on the 3- & 4-burner grills with IR.

Rotisserie Unit
The Rotisserie Unit comes standard on all infra red (IR) models.

Flame Directors
Adjustable panels for creating cooking zones.

Temperature Gauge
Gives grill temperature for controlled cooking.

Flavor System
Distributes heat for even cooking & reduced flareups. Can add flavor brickettes for additional flavor.

Roll-along Tray
Easily removable drip tray for quick cleaning.

Heavy-duty Grate
3/8" 304 stainless steel cooking grate.

Burner Units
Heavy-duty, 11 gauge 304 stainless steel.

Gas Grills

All PCE grills feature a sleek design and come standard with smoker box, warming rack, 3/8" stainless heavy-duty grate, knob burner ignition and hood temperature gauge for controlled, precision cooking.
